

“Unlike a class that gives a dose of learning and possibly some feedback, **Toastmasters International offers a long-term opportunity for continual individual growth and development for a surprisingly low cost.**

I can think of no other training investment that offers an equivalent return.”

-John H. Peck, Retired Director, Management and Technical Services Division, Michigan OSHA

Invest in Your Potential

Do you make presentations to customers, clients, co-workers, church, civic or school groups?

Are you called upon to explain projects, policies or positions with little preparation?

Do you conduct meetings?

Do you review personnel performances?

Are you a manager or do you have aspirations to become one?

Are you ready to take the first step to grow your leadership and communication potential?

The Benefits of a Toastmasters Membership:

- Laugh with new friends
- Follow a proven program to cultivate your communication and leadership skills.
- Progress at your own pace within a supportive learning community.
- Learn to organize your thoughts and present them clearly.
- Learn to speak so your ‘audience’ cares to listen and act.
- Progress faster with mentoring and constructive feedback.
- Gain access to an abundance of educational resources.
- Grow personally and professionally through unlimited opportunities.
