

- Do you get nervous giving a school presentation?
- Would you like to have more confidence in job and college interviews?
- Would you like to be comfortable leading a team assignment?

## Youth Leadership Program

If you answered “yes” to any of these questions and you are a high school student, the Youth Leadership Program is for you! Sponsored and conducted by Toastmasters International and the **Grand Blanc Area Toastmasters Club**, *Youth Leadership* helps build your communication and leadership skills so you become comfortable in your own skin while developing as leaders in your school and the community.

The program's unique eight-session, workshop-style design enables participants to develop this potential through practical experience guided by experienced Toastmasters. *Participants increase their self-confidence as they learn. They also make new friends and have fun while learning!*
